Sustainable Procurement

With a total score above **50/100**, **Illva Saronno Holding** is among the **top 50 percent** of companies assessed by EcoVadis in 2023. This result is a first important achievement for Illva Saronno Holding which represents a starting point for the future, to implement new sustainable practices and to take further steps in the path of constant improvement undertaken: the Illva Sustainability Path.

To celebrate the completion of the assessment, **EcoVadis** will plant a tree on behalf of **Illva Saronno Holding**, through its partnership with **One Tree Planted**, nonprofit association

with a mission to contribute to global reforestation, consisting of a network of partners, agencies, schools and individuals who contribute financially or by volunteering to support reforestation activities.
